

HerboKern Secure

HerboKern Secure toilet, shower and changing cubicles: Safety First. Perfect for nurseries and schools. A modern cubicle front, doors with round anti finger trap door hinges and milled door at closing side. Self closing by an ingenious built-in hinge mechanism.

Cubicles made of high pressure solid grade laminate, colourfast, scratch and dirt resistant, in many colours. With maintenance free aluminium and stainless steel fastenings. Doors with anti finger trap door hinge. Front in one line because of milled doors and pilasters. Free hanging or on adjustable feet, in different heights. Flexible in dimensions and accessories. Designed for intensively used wet bathroom and changing areas.
